REC RETREAT 2019

On behalf of Recreational Gymnastics Professionals, I am pleased to be reaching out to you as a potential sponsor of our Refresh Rec Retreat 2019 - eastern Canada's only weekend retreat *exclusively* for preschool and recreational gymnastics coaches, managers and club owners. It will be held May 24-26, 2019 at Camp Couchiching near Orillia, Ontario, Canada.

The province of Ontario alone has over 250 gymnastics clubs with over 100,000 participants, the majority of which are active at the recreational level. Making the magic happen in the gym every day are thousands of volunteers, coaches, supervisors and program directors! For all of us, our goal is to help kids get active, become more physically literate and develop confidence & character through sport -- even at the beginner level.

Most conferences in the gymnastics world focus on higher levels and aspects of the sport that are not relevant at the grassroots level. Rec professionals are desperately seeking opportunities that specifically cater to them and the kinds of programs they run.

That is where the Refresh Rec Retreat comes in! A jam-packed weekend of interactive coach development sessions, networking, brainstorming, sharing of ideas and goal setting -- all while connecting and building our community. Our goal is for every attendee to return to their clubs feeling excited to apply what they've learned, inspired to innovate, and of course, *refreshed with enthusiasm for the work we do*.

This will be the inaugural event and you can be a part of it, securing your spot for future Refresh Rec Retreats as well. Your support will ensure that the cost of this event will be accessible to coaches and clubs wishing to attend. Our retreat is not exclusive to attendees from Ontario. We expect to have professionals from other provinces and the United States as well.

Our sponsorship package is on the next page. Please know that it can be tailored to your organizational goals.

Recreational Gymnastics Professionals is owned and operated by me, Ali Stoffels, a current rec gymnastics program director who is constantly looking for innovative ways to support our recreational gymnastics community. Rec Gym Pros has an active & growing network via social media (@recgympros) and website. You can also find me hosting one-day Rec Director Summits and facilitating coaching clinics across Canada.

My hope is that we can start a long and fruitful relationship through the Refresh Retreat 2019 and carry that relationship into the future for new and exciting opportunities to promote your brand while supporting recreational gymnastics professionals.

I look forward to discussing this opportunity further with you and hope we can count on your support of this important event!

Warmest Regards,
Ali Stoffels
